From Besa Lighting

Besa Lighting is a leading decorative lighting manufacturer offering a range of unique yet functional products. Besa Lighting merges traditional glass techniques with modern design to create quality pieces that work in a variety of architectural styles.

The Pahu series from Besa combines colorful glass with a metal frame and optional opaque lining. The fixture has blown glass that is handcrafted by an artisan, utilizing century-old techniques to create a piece that provides a color-filtered light to fit the mood of the area. The series is available in three sizes ranging from 7.875" Diameter to 15.75" diameter, and in 6 color, with or without opaque lining, and can mount as either a pendant or ceiling fixture.
