

SPOTLIGHT

THE LUMENCUBE™ From Liton Lighting

LITON has recently released their newest addition to their surface mount family, the 6" LumenCube™. Designed for atriums, churches, lobbies, and other high-ceiling applications, the LumenCube™ creates beautiful light coverage in a small form. The fixture comes with universal mounting hardware for mounting to all standard junction boxes, and can be ordered with a range of pendant accessories to fit the mounting needs of your project.
